Foreword

On the pages of this book is written the story of some of the happiest years of our lives. The Sesame Staff of 1956 invites you to join us in reliving these experiences.

So "Open Sesame" . . .

Dedication

Dear Mr. Woolson:

Since coming to Clio in 1939 as a coach, you have left an impression upon the people surrounding you--students, parents, teachers and administration alike--steadily rising in position until in 1946 you became our principal. In behalf of everyone connected with Clio Area High School we would like to add another wreath to your laurels by dedicating this 1956 Sesame to you. All of us have profitted from having known you, Mr. Woolson your insistance of fair play, your wise advice, and your lack of compromise have aided us throughout high school. Neither shall we forget your sense of humor and the sense of understanding which we have witnessed so often. Because of all these things we dedicate this book to you.

Sincerely,
The 'SESAME' staff

Assemblies

During the year, various assemblies were presented to entertain and educate the student body. Included in these were assemblies about counter spies, Parade of Progress, and pianist-magician. Above are shots from an assembly by Mr. Ferrier, a speaker on how to survive and live in Alaska.

Football Banquet

January 19, 1956, the Clio Rotary Club honored the football players. Both varsity and junior varsity players were awarded letters after a movie and talk by Les Bingaman, former Detroit Lions' center.

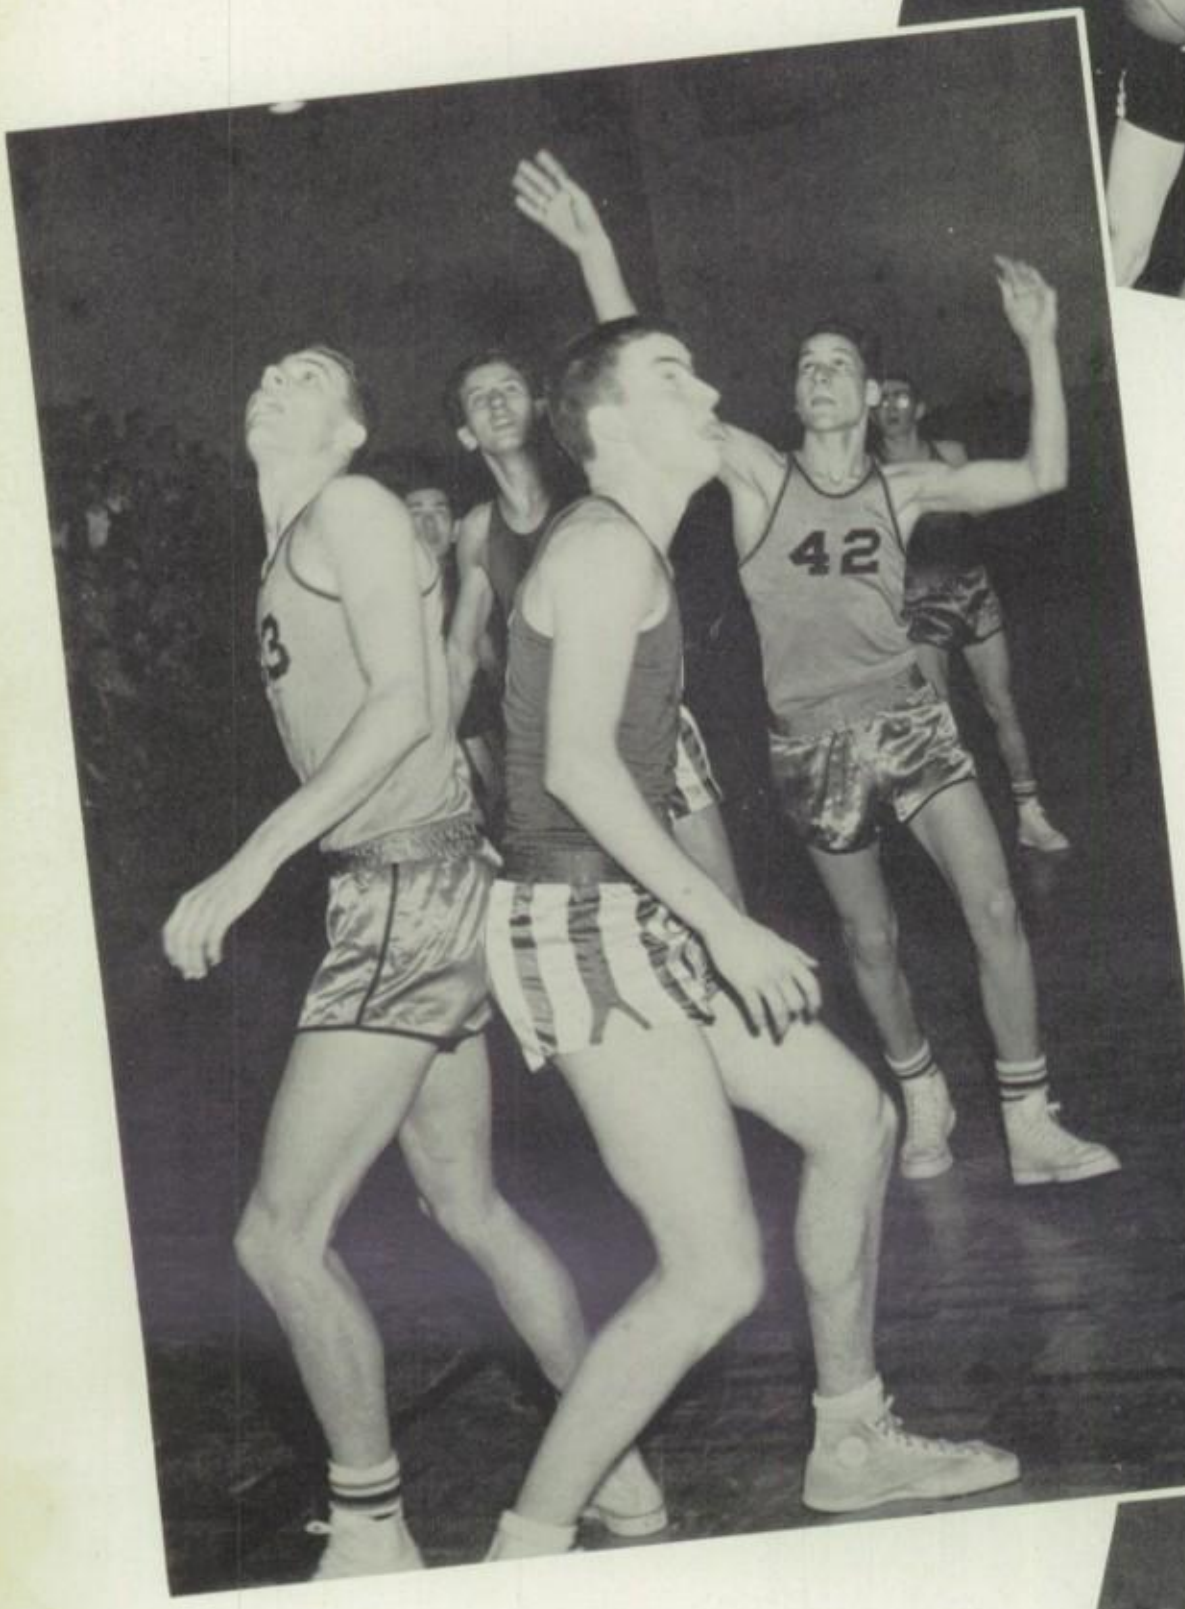
Varsity in Action - - -



Before an opening game crowd of 400, the Clio High basketball team dropped a close 43-40 contest to Flint St. Mary.

Even the best offensive showing in recent years wasn't enough to net Clio a victory. The Mustangs were edged out by a well balanced Grand Blanc team 70-66, a non-conference tilt.

In Memory of Richie Carroll . . .

Life is a Game and the game goes on
from the kick-off to the gun,
Tho' sometimes the Coach calls a player out
when the half has just begun.
And sometimes the signals are hard to hear
and harder to understand,
But each yard that is gained, each penalty called,
is just as the Coach has planned.

The kind of a player the others loved,
with a heart that could sing or fight,
Richie played to win - but Time was called -
with the goal still out of sight.
Still the Game goes on, and the rest must play,
not knowing or asking more
'Til the Coach calls our numbers, too, in turn,
and tallies up the score.
